New in 2018

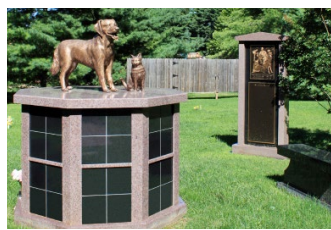

In response to the overwhelming request for a facility focused solely on pets, we are pleased to announce plans for the **Dulaney Valley Pet Loss Center**. The new space, slated for a late 2018 completion, will be located behind Pet Sanctuary garden and include a pet funeral home and crematorium.

The funeral home layout features a private viewing room and gathering space for families. The crematorium offers pet parents reassurance knowing the cremation will occur in the same location where they will receive the cremains.

Pet Transport Service

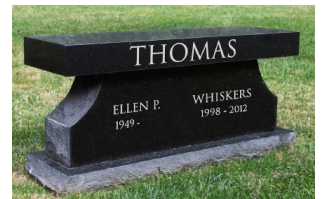

After the passing of a beloved pet, grieving pet parents may feel uneasy or, for any reason, unable to bring their pet to Dulaney Valley from their home or veterinarian's office. Our pet transport service is especially helpful for pet families needing assistance and available 7 days a week for a nominal fee.

Pet Sanctuary & Faithful Friends

With the addition of Pet Sanctuary, our pet gardens have expanded in the number of traditional ground spaces, as well as cremation burial options with our octagonal granite columbarium. A memorial wall accepts bronze plaques in memory of pets not interred within the garden.

Adjacent to Pet Sanctuary, Faithful Friends is the region's first cemetery garden allowing the burial of both pet parents and their pets. Each lot contains a space for one pet to be laid to rest at the foot of the pet parent's space.

Interment fees, vaults, caskets, and bronze or granite memorials are readily available. All arrangements may be made in advance for your peace of mind.

Our office hours are Monday - Friday from 8:30 - 5:00pm and Saturday from 9:00 - 3:00pm. Sunday by appointment only.
