## What's New at Dulaney Valley Memorial Gardens?

Dulaney Valley Memorial Gardens strives to offer a wide variety of memorialization options. With a number of new developments underway, we thought we would share them with you in our quarterly newsletter.

Preserving Your Family's Legacy Since 1898

On February 1st, Dulaney Valley Memorial Gardens purchased the John Tyrie & Son monument company. Since 1898, families have trusted the Tyrie family with their memorialization needs. The Tyrie name, synonymous with customer-oriented service, will remain to continue the legacy of commitment to families in the greater Baltimore area and beyond.

John Tyrie & Son offers granite or marble monuments and bronze memorials in various sizes and designs. Additional merchandise includes vases, urns, keepsakes and cremation jewelry. Take a look at our sample monuments located on the right side of the office building.

Michael J. Wancowicz, formerly an 18-year Family Service Advisor, is now dedicated to serving new and existing John Tyrie & Son clients.

A second pet may be interred in the same lot for an additional fee. Interment fees, vaults, caskets and memorials are available for both pets and their pet parents and may be arranged for in advance.
