

Winter 2018

## What's New at Dulaney Valley Memorial Gardens?

Dulaney Valley Memorial Gardens strives to offer a wide variety of memorialization options. With a number of new developments underway, we thought we would share them with you in this seasonal newsletter.

### Bronze Angel Niches

We are pleased to offer a new cremation feature for individual or companion inurnment. Bronze wall niches, nestled under porticos at both side entrances to the Mausoleum Chapel, create a celestial scene of angels heralding inward as if to “usher” one into eternal life.

Each of the four walls contains 66 square niches (12”x12”) for a total of 264 opportunities for families interested in inurnment near our Mausoleum Chapel as well as the symbolism of the feature.

#### Did you know?

Dulaney Valley offers a generous exchange policy for those wishing to switch from traditional ground burial to a mausoleum setting.

### Harmony Hill

With the completion of Harmony Hill, we are fulfilling the request of families preferring upright monuments versus bronze markers. Our families have created some gorgeous monuments unique to their loved ones. Feel free to take a peek!

The garden entrance was recently enhanced by a black granite monument featuring two swans in honor of our resident trumpeter swans, fondly

known as the “Dulaney Valley Princesses”.

We've extended our **Inventory Monument Special** now valid until March 31st. The package includes **4 spaces with 2 monument rights, an inventory monument\* and your family's name inscription for \$15,000.** Taking advantage of this offer will save your family approximately \$4,000!

### Sanctuary Mausoleum

Phase II of our Sanctuary Mausoleum is nearing the final stages of construction. However, due to recent snow and impending winter weather, completion is now scheduled for March 2018.

The new mausoleum is the second of four structures positioned to create an open-air chapel. Phase II adds 140 single crypts, 224 tandem crypts and 160 niches for a total of 524 opportunities for those interested in an affordable alternative to traditional in-ground burial.

Our Pre-development Special of **10% off any Phase II niche or crypt** is valid through March 31st. Please contact a Family Service Advisor to view floor plans and confirm availability.

\*Excludes monuments with carvings, etchings, panels or custom shapes.  
*To learn more about traditional and cremation burial options, please contact one of our Family Service Advisors Monday through Friday 8:30 - 5:00pm and Saturday 9:00 - 3:00pm.*
