

Fall 2022

# What's New at Dulaney Valley Memorial Gardens?

Dulaney Valley Memorial Gardens strives to offer a wide variety of memorialization options. With a number of new developments underway, we thought we would share them with you in our seasonal newsletter.

## Expanded Care for Your Entire Family

Dulaney Valley Cremation Center

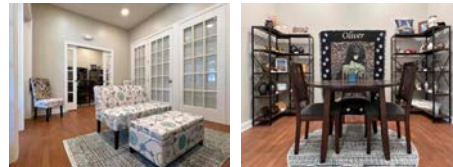

Dulaney Valley Cremation Center offers families choosing cremation the peace of mind of knowing their loved one remains in our care from the cremation process to urn placement and optional inurnment in our memorial gardens.

In addition to cremation service, the center provides private spaces for family and close friends to hold a memorial service, view our extensive collection of urns, and plan arrangements for an immediate need or advanced planning.

Dulaney Valley Pet Loss Center

At Dulaney Valley Pet Loss Center, we understand pets are family members too. We are a full-service pet aftercare provider for pet families experiencing the loss of a cherished pet or choosing to plan arrangements prior to the time of need.

Our comprehensive pet loss services include pet transport, in-home euthanasia by a partnered mobile veterinarian, private cremation, funeral services, and burial arrangements in our nearby Pet Sanctuary and Faithful Friends gardens.

## Upcoming Events

OCT  
22
