

Winter 2023

What's New at Dulaney Valley Memorial Gardens?

Dulaney Valley Memorial Gardens strives to offer a wide variety of memorialization options. With a number of new developments underway, we thought we would share them with you in our seasonal newsletter.

NEW! Burial Search, Memorial Pages, App & Tours

We are excited to offer new aftercare services to you and your family. You can now search our burial records for grave locations and view and submit memories to generate a memorial webpage for your loved ones, all with the convenience of our new Dulaney Valley app (optional). We hope you find these new resources beneficial.

Burial Search

Visit our website and choose "Burial Search" from the menu, or visit www.dulaneyvalley.com/burial-search to search burials from 2020 to present. We are in the process of including all prior burials and expect them to be accessible this spring. Under your loved one's location, click "Get Directions" to view on your desktop or phone.

Memorial Webpages

Every family interring a loved one at Dulaney Valley now receives a complimentary memorial webpage for family and friends to post memories and photos revealing their loved one's legacy. A week after the burial, family and friends can visit our website, search for their loved one by name, and under the location information, click "View & Submit Memories." It's that simple! Memories are displayed chronologically on a customizable page with social sharing links. If your loved one was interred at Dulaney Valley before 2020, memories may be submitted for them once all burials are accessible this spring.

Dulaney Valley App

Our new app is compatible with IOS and Android devices and may be downloaded from the "Burial Search" page on our website by clicking "Download Our App" or scanning the QR code shown here. The app is not required to use the burial search, directions, memorial page, or tours but offers convenient features.

Garden Tours (Coming Soon)

The burial search resource allows Dulaney Valley to create walking tours for points of interest, such as burial sites of notable figures, history of garden features, and cremation burial options. Check our website or download our app to stay connected and experience these interactive tours when they become available.

To learn more about our burial options, please contact a Family Service Advisors Monday through Friday from 8:30 - 5:00 pm and Saturday from 9:00 - 3:00 pm.

January Events

25
